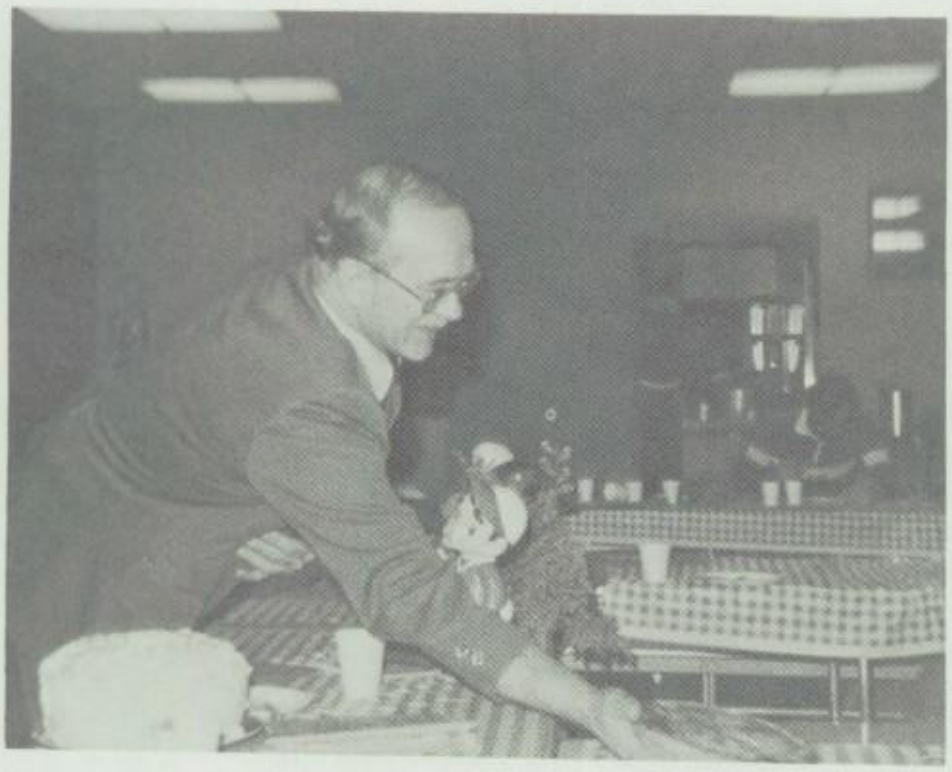
# Administration 76-77



Superintendent Don McCoy coordinated district, building and athletic personnel. His secretary Polly Hurd and business manager William Fague staffed the District #30 office in Hammond. Principal John Johnson, responsible for high school programs, worked with numerous staff groups to improve curriculum, increase facility useage and harmonize student activities. Athletic Director Dwane Huddleston intergrated seasonal sports schedules and coordinated the coaching programs. Administrative members supported and participated in numerous extra curricular activities involving students.

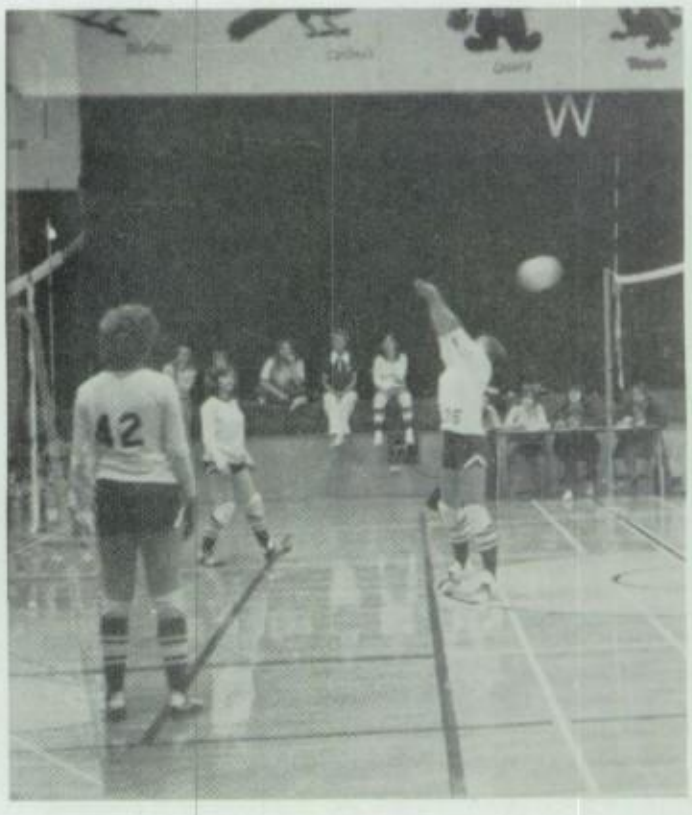
# Four Girls Chosen for



Enthusiam at August practice sessions began the 16-game season to the league tournament in Vernonia. Warrenton Volleyball players gained third place honors. Early victories prophesied a successful season. Seven players, coached by Mrs. Wallace, placed third on league standings. Chosen for the all-league team was Patty Johanson. Honorable mention designated Robin Searle, Kay Hanna, and Jennifer Carruthers. The season was finaled by a party for the team and faithful spectators.

# Football '76 . . . 3rd in State

The Warrior's winning season was highlighted by capturing the League Championship for the first time in the history of Warrenton High School. The brutal practices started two weeks before school, with Coach Mattila's famous Daily Doubles which led the warriors to victory.

The season's opening game with Jefferson started the warrior's winning streak. A mid-season game with Knappa brought a close call as the warriors squeaked by with a score of 7-6. The homecoming game with St. Paul proved to be a heartbreaker as the warriors were defeated 14-22. By defeating the Gaston Greyhounds the warriors assured themselves of a chance to compete in the State Playoffs.

A crowded spectator bus along with many boosters followed the team to Harrisburg where the warriors would compete in the State Quarter-Finals.

The warriors hosted Regis as they battled to determine who would go to the State-Finals. The warriors looked strong until there was a turn-around in the last six minutes of the game. Regis scored, placing them within one point of the warriors. Regis then scored twice more as they raised the score and carried away the victory.

Coach Feletar, along with freshman and J.V. players wait patiently for their bus.

The highlight of the JV football season was a fourth-quarter comeback when the Warriors edged passed the Neah-Kah-Nie Pirates to a 14-12 victory. Another score in the win column came from Tillamook.

Daily Doubles with the varsity started the pre-season practices.

Jon Bergerson earned most valuable player recognition from the coaches for both offense and defense. Most improved player Robert Killion helped the team.

Scoring for the 7 game season showed close results but not necessarily in the Warrior's favor.

The JV's ended their season with a win-loss record of 2 wins and 5 losses.

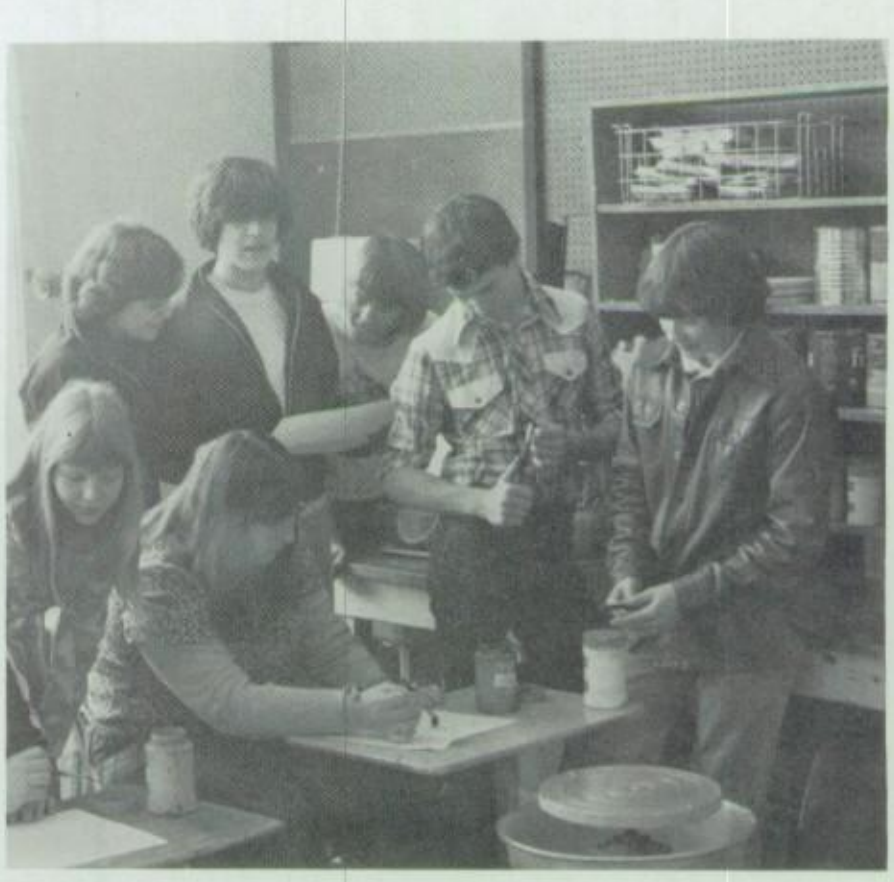
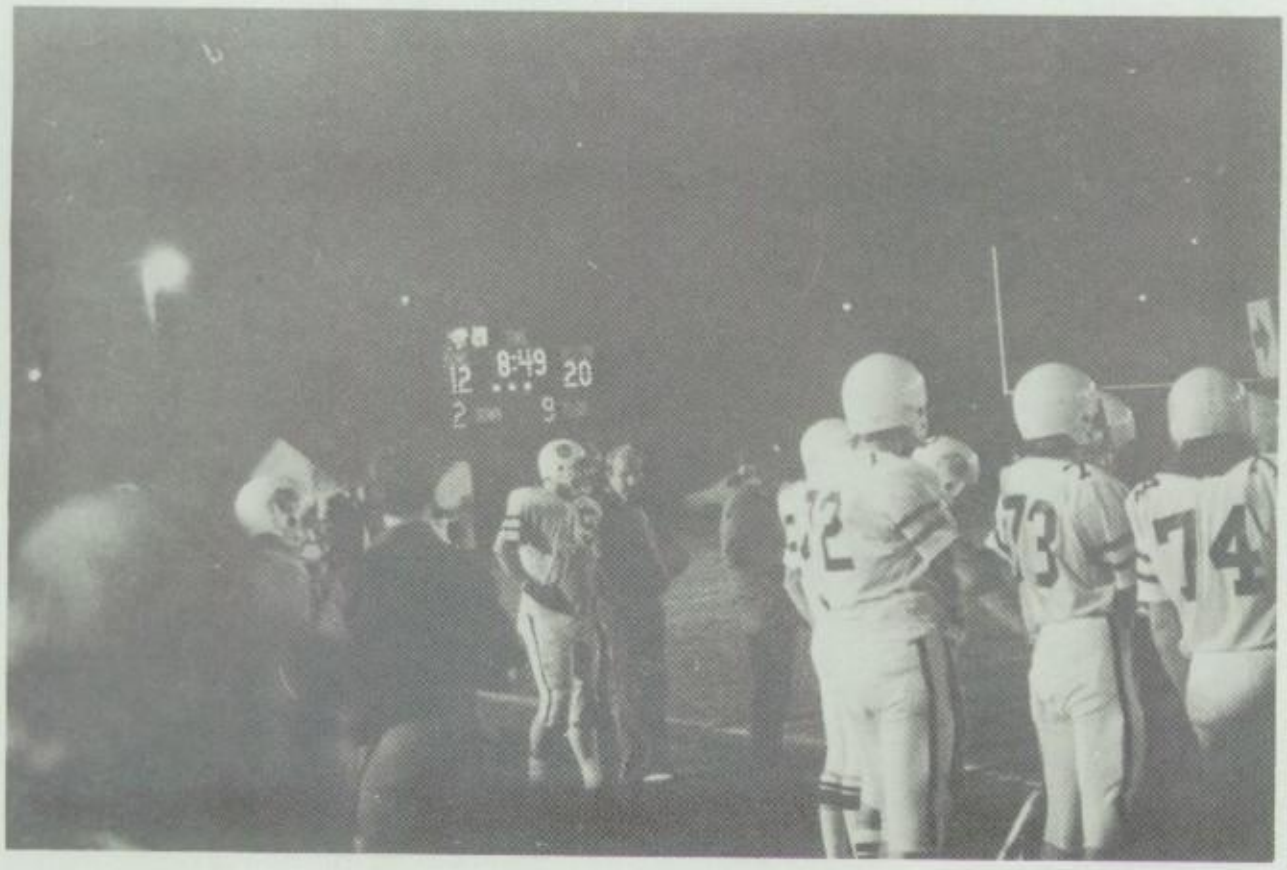
# Up, up, and Away . . .

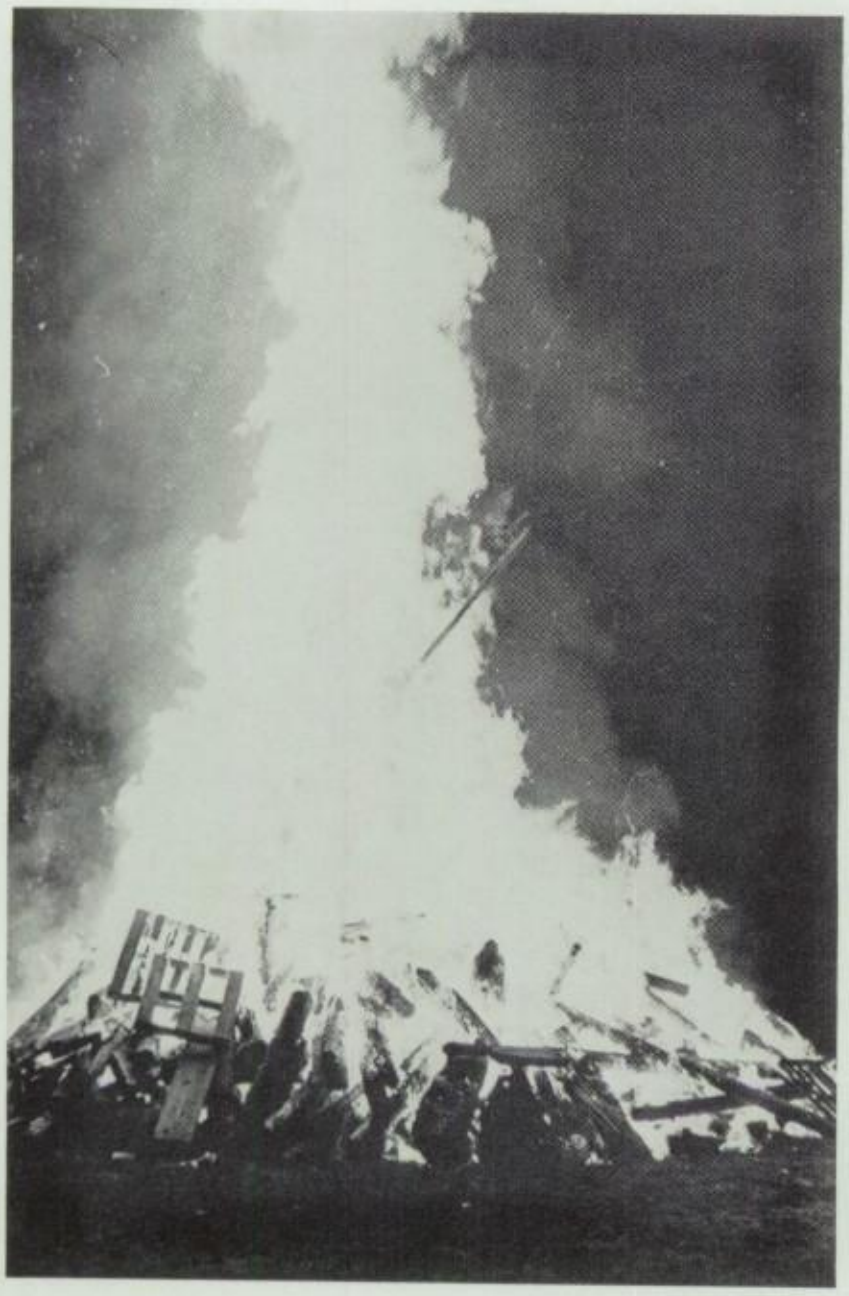
The week of October 18-23 was surely an unforgettable on for all the students at W.H.S. It was Homecoming 1976. Monday morning started with the coronation of Queen Nancy Johnsen. Hall decorating began after the students quenched their hunger at a potluck lunch. Naturally, hostility arose as spies from each class made their rounds through the other halls to see what was going on or to get ideas. Since the theme was "Up, Up, and Away", the seniors (ABOVE LEFT) saw fit to string balloons and streamers throughout their hall; the juniors (BELOW LEFT) worked diligently on a Toyshop; the sophomores (ABOVE RIGHT) simply enjoyed the afternoon constructing a stairway to the stars; and the freshmen (BELOW RIGHT) turned their hall into a football field after the committee whipped up some plans. Off and on during Monday afternoon the classes rehearsed their unusual and unique skits which were performed Tuesday evening after the rally.

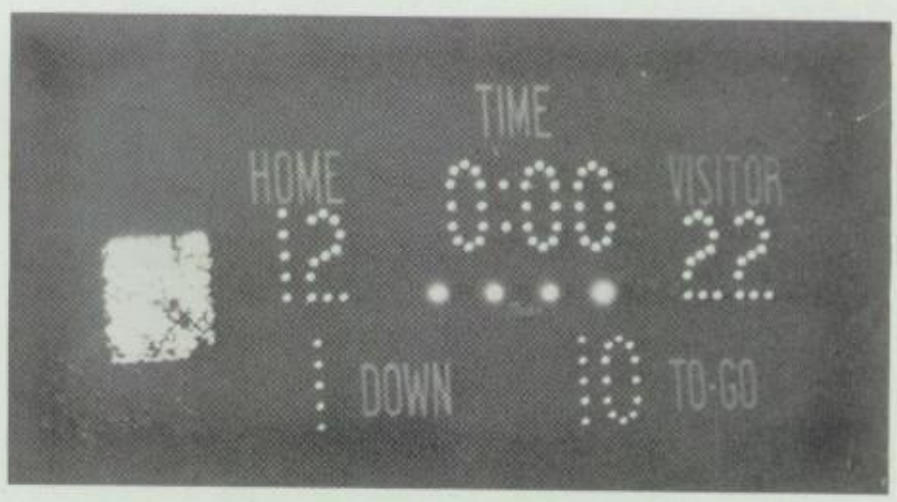


# Homecoming 1976



Thursday night the majority of the students joined the car serpentine during which each class decorated a truck in a fashion fit for this year's theme. Following the serpentine was the bonfire (BELOW LEFT), an event at which the classes were judged for spirit and creativity.
The seniors (BELOW RIGHT) suggested they deserved the trophy by waving signs and releasing helium balloons to the sky, Unfortunately, it wasn't "Up, Up, and Away" to a victory for the football players as the scoreclock (BELOW AND LEFT) reveals.





# Bittersweet Jam Played As

Glenn Grafton and his two lookalike dates (ABOVE LEFT) Kara McDonald and Janet Bransford entertained many of the other couples at the Homecoming Dance, once it got started that is. The band arrived one hour late which is why student body president Scott Smotherman, Homecoming Co-chairman Alice Hochnadel, and advisor Mrs. Mosar (ABOVE RIGHT) took time out to decide whether or not to pay the band. Chaperones and students (LEFT) enjoyed listening to the music as well as dancing to it. All in all, the dance was termed a success.

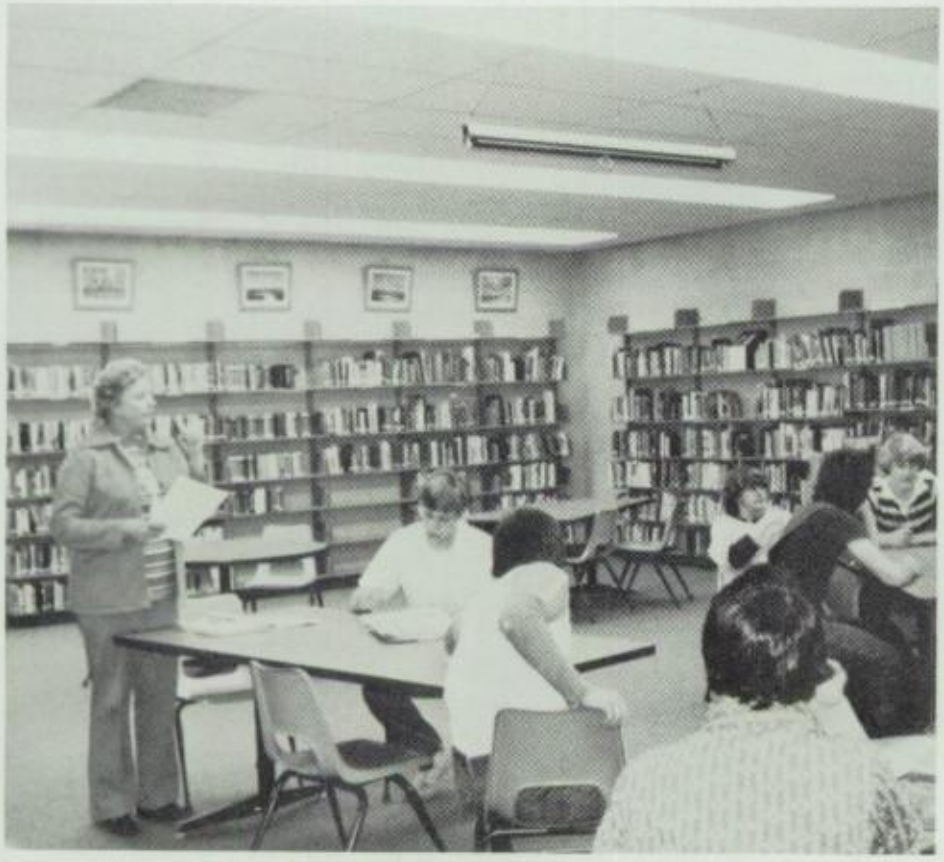
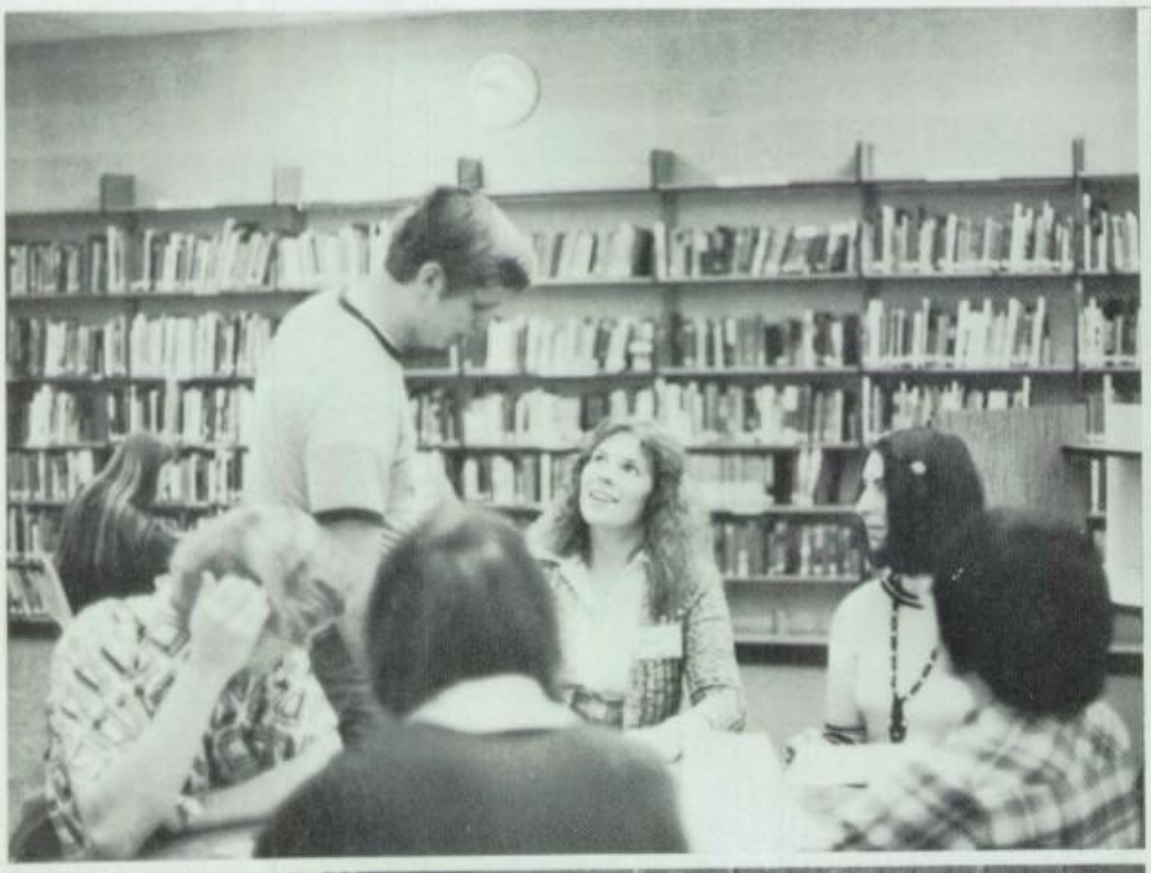
Student Council members pay close attention to what every speaker has to say.

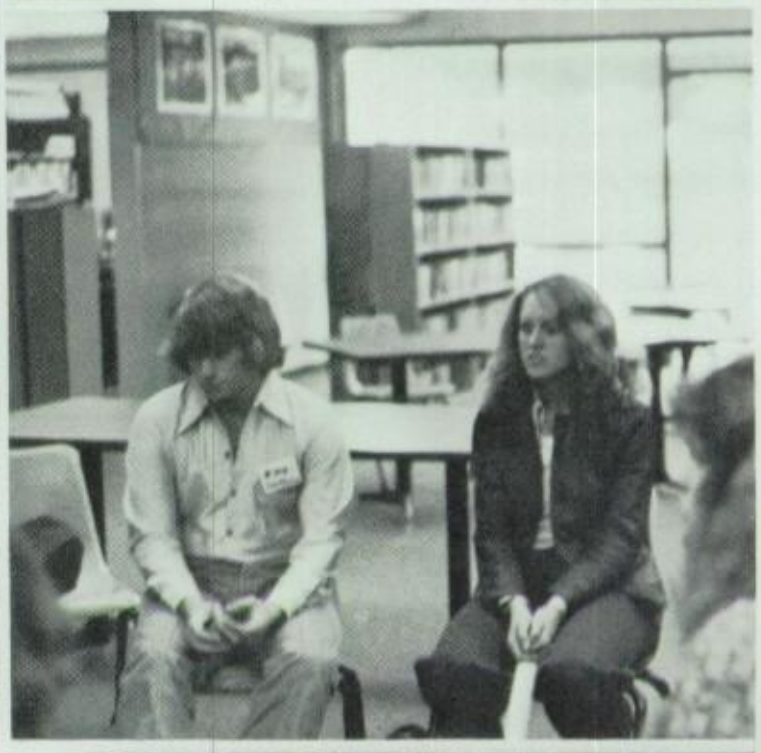


The student council kept itself busy this year with a number of different projects. The first major chore was Homecoming and that went successfully in spite of the problems with changing the court. There was a lull, then they decided to pep the kids up with a $50 contest. After that, student council went right to work revising the student constitution and worked on Student Body elections. Student council also hosted the district meeting and various speakers.

Student Council also helped by watching the voting and the ballot box at this year's elections for the new Officers and constitution revisions.

# League Student Council Day





This year, the league Student Council meeting was held at Warrenton. Schools from our league, such as Knappa, Corbett, Portland Christian, and Lutheran, joined our student council for the meeting. They talked about our different problems, fund raising, and how to solve these problems. They were then taken of a tour of the school and some of the classes going on. All in all, it went smoothly and everyone learned something that might be helpful in the future.

# The Great Race at Christmas

Seniors led the great race in the canned food drive, clinching it by caroling for food the night before. Froshmen did their part and was honored second place. Juniors and Sophomores followed.

"Christmas" day started with a choral presentation that was followed by the band and stage bands preformance. The "movie" "The Great Race" ended the morning. The movie was a satire about the "good guy" vs the "bad guy", racing vintage cars from New York to Paris, and performing impossible feats.

During intermission, Mr. Ballman popped popcorn the faculty donated for the students.

After the movie, the Seniors led the great race to the potluck lunch, followed closely by the Froshmen. The Froshmen provided a large variety of deserts and several students brought an over abundunce of food which helped a great deal. Christmas vacation started at 1:00. The Sophomores did most of the cleanup which ended their "Christmas" day.

The team was coached by Mr. Mattila and a 5 and 10 win loss record. Troy Gardner was the team captain.

As the team played, they gained experience so to join the JV team next year. They worked hard and worked together for a good year.

# Varsity Baseball "76-77"

The Warrior Varsity basketball team experienced a mediocre season this year, as they won 9 and lost 13. They had tough competition as Vernonia, a member of the Northwest A league, took the state title. There were 10 seniors and 2 juniors on the squad. Next year it looks like it will be a rebuilding season. The team selected Kevin Gramson as "Most Valuable" and Bret Schnieder and Billy Davis as "Most Inspirational" players.

The 1976-77 Warrenton High School boys JV basketball team, coached by Loren Gramson had a tough season. With 9 sophomores and 2 Juniors, the squad had a record of 5 and 7. As a team, the young Warriors improved 90% from the beginning to the end of the season and should help out the Varsity squad next season.

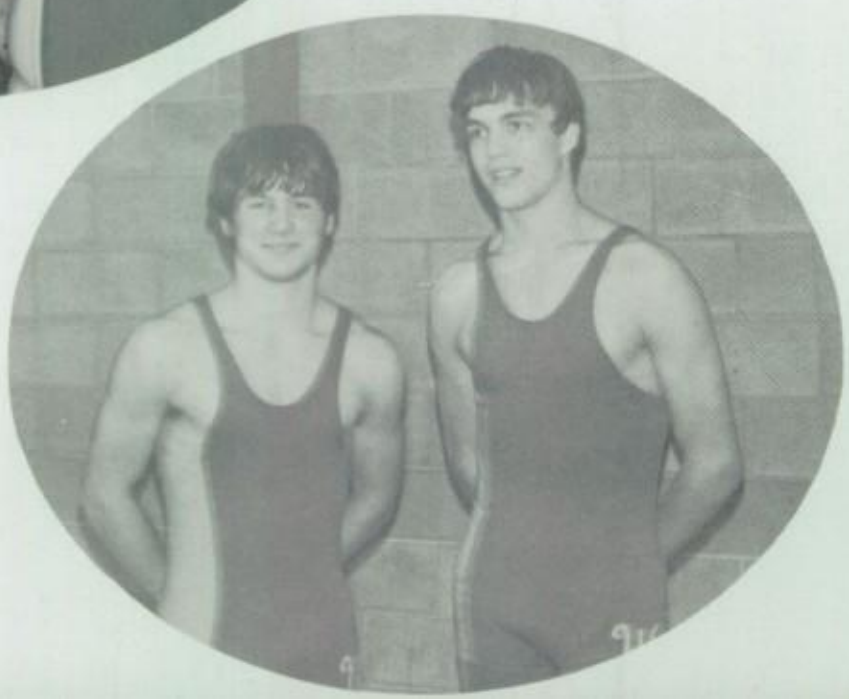
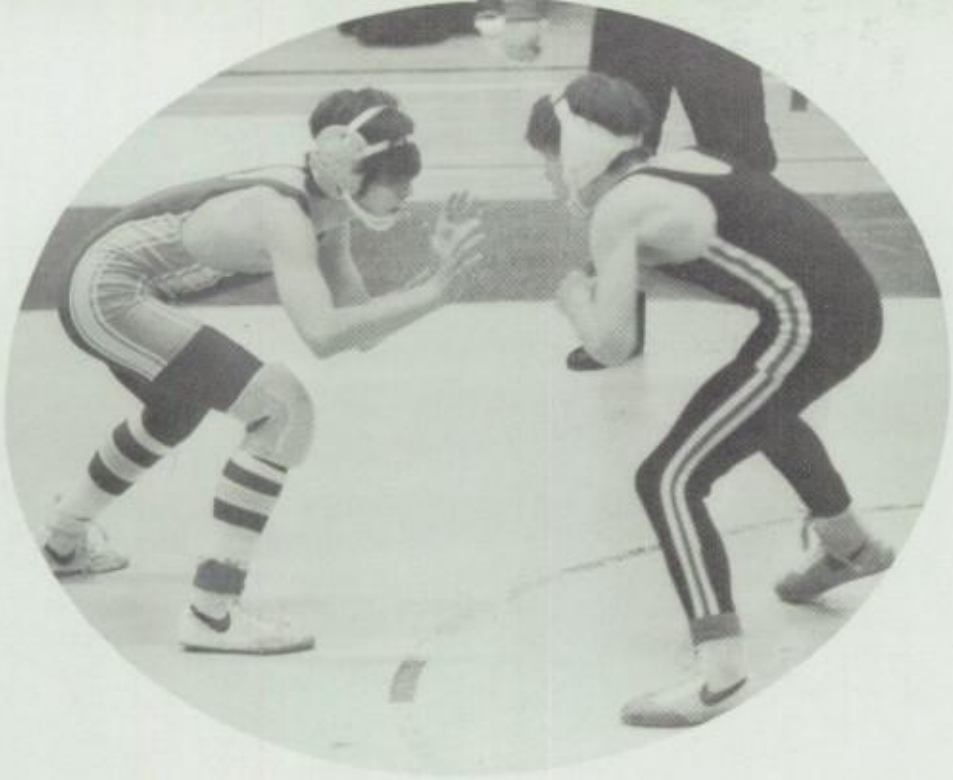
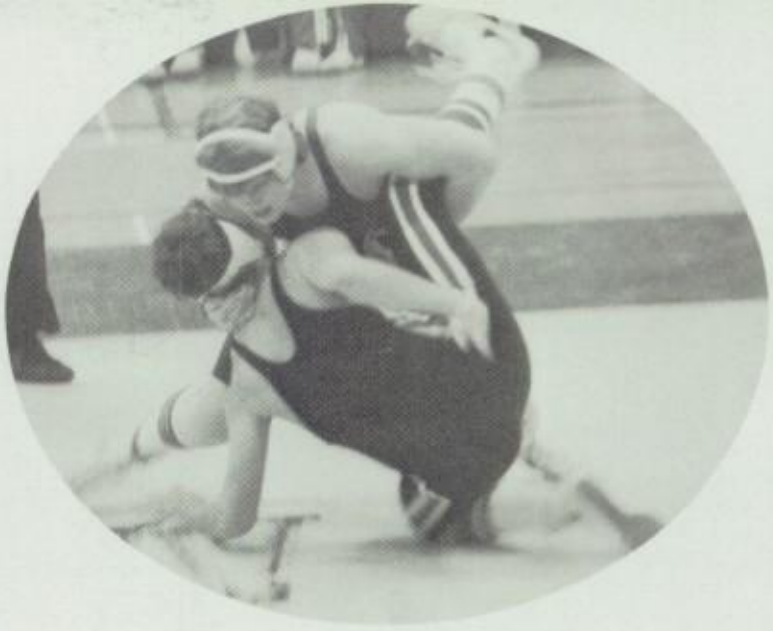
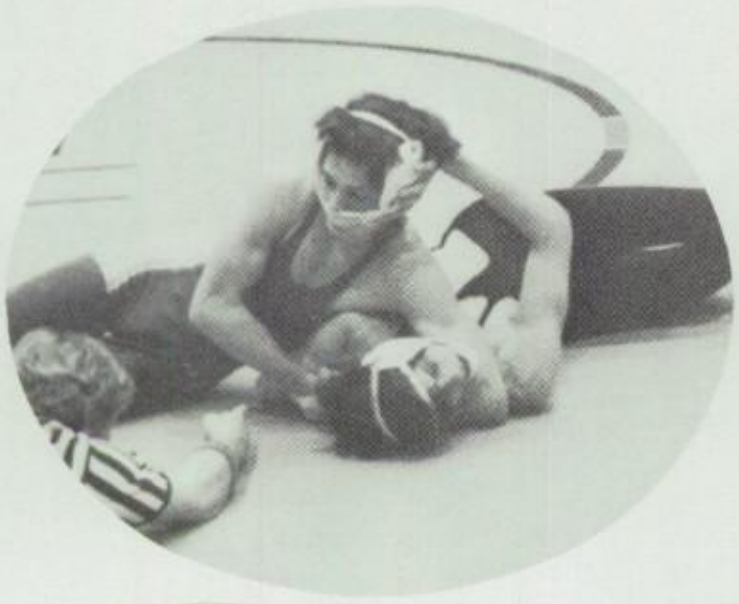
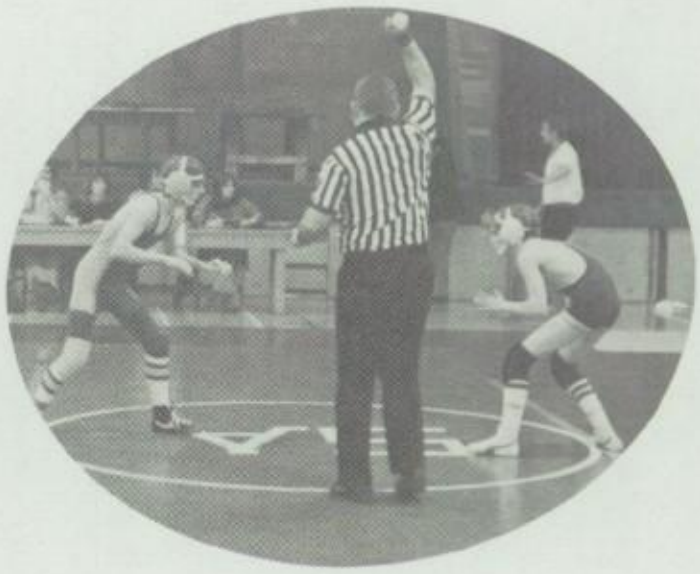
L RIGHT: Most Improved Wrestler for the 1976-77 season, Mike Carruthers.

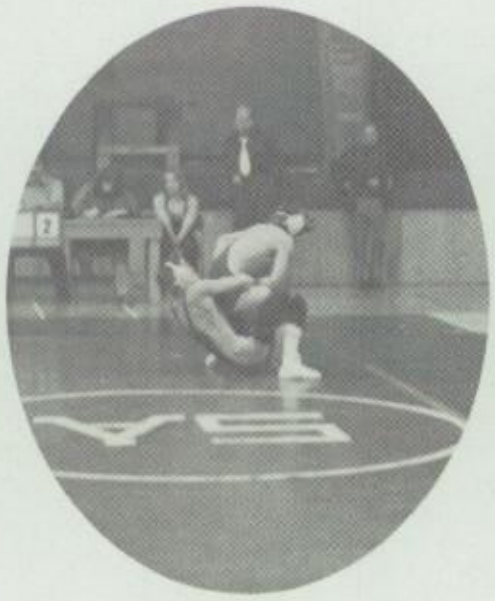


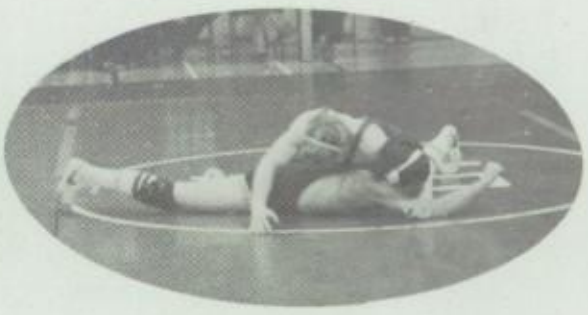












The strong Warrenton Wrestlers held their ground by taking 2nd in State, two years in a row. They missed the state championship by a mere 1½ points. The highlights of the 26 win 2 loss season were capturing 2nd in State two years in a row and being District champions for seven consecutive years. Going into the state tournament the warriors were strong. Warrenton took seven District champions, along with moral support from their many fans. The Warriors had an early season loss which was due to the late football season. The wrestlers who also played football had but a few days to prepare for wrestling.

After everything was underway, the Warriors brought home a trophy from an 8-Way meet, the Illwaco Christmas Tournament.

The Warrior team has five seniors who will not be returning. Their positions will be difficult to fill.

# Winter Sports Awards

Booster club members and families honored members of eight groups at the March 15 awards gathering. Mr. Johnson, master of ceremonies, introduced Coach Warren who presented his wrestling team. Athletic Director Huddelston introduced the Varsity and JV basketball teams. Coach Matilla introduced the Freshman team. Mr. Feletar followed with the girls teams. Miss Iff ended with recognition to the rally by presenting them with a certificate.

During Desert time, Mr. McCoy raffled pies and cakes. Special award winners were recognized in each sport.

# FRESHMAN REQUIRED,

The class of 80 encountered many firsts this year. The largest freshmen class to enroll had an opportunity to choose either physical science this year or biology next year to fill their science requirement. Other electives were typing, home ec., band, art, and welding. Another first was the selection of a freshman princess and escort for the homecoming court.

On a November Saturday, the class participated in a car wash and bake sale. The money earned was used for a dance to thank the Sophomore class for the Welcome Freshmen dance. Another money-making project was the candy sale. Leanne Mullins won the gift certificate for selling the most boxes.

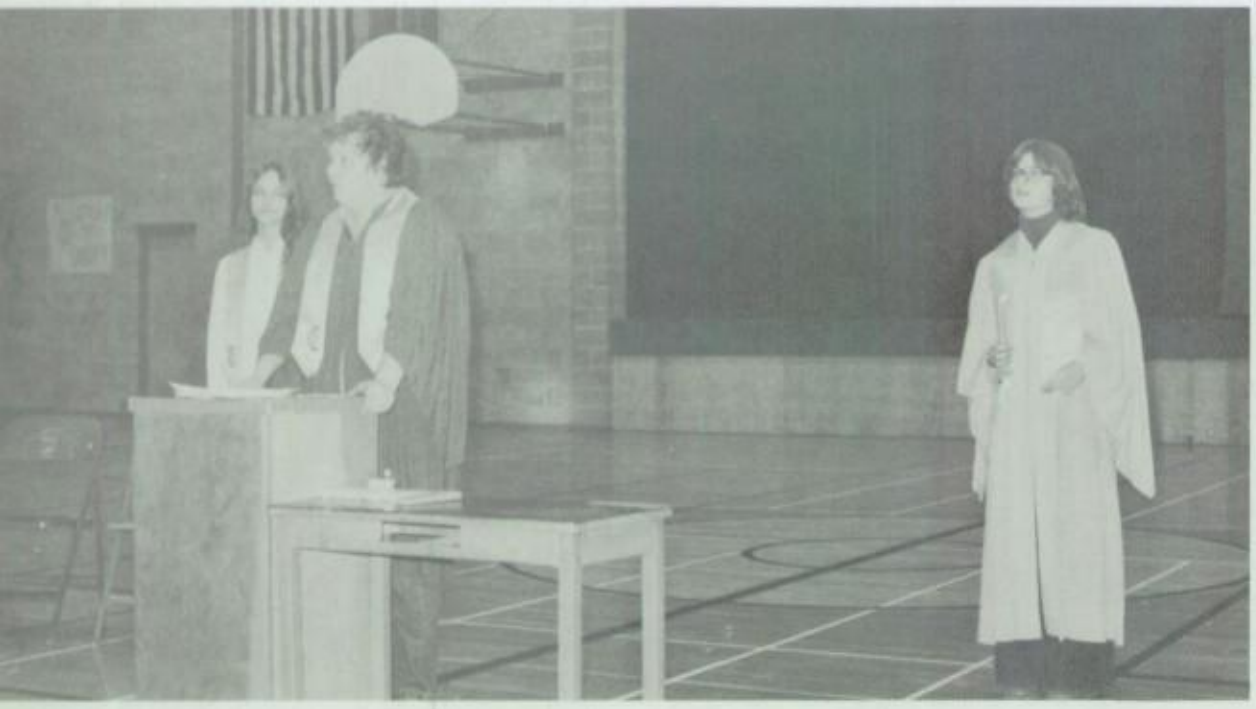
# Honor Society

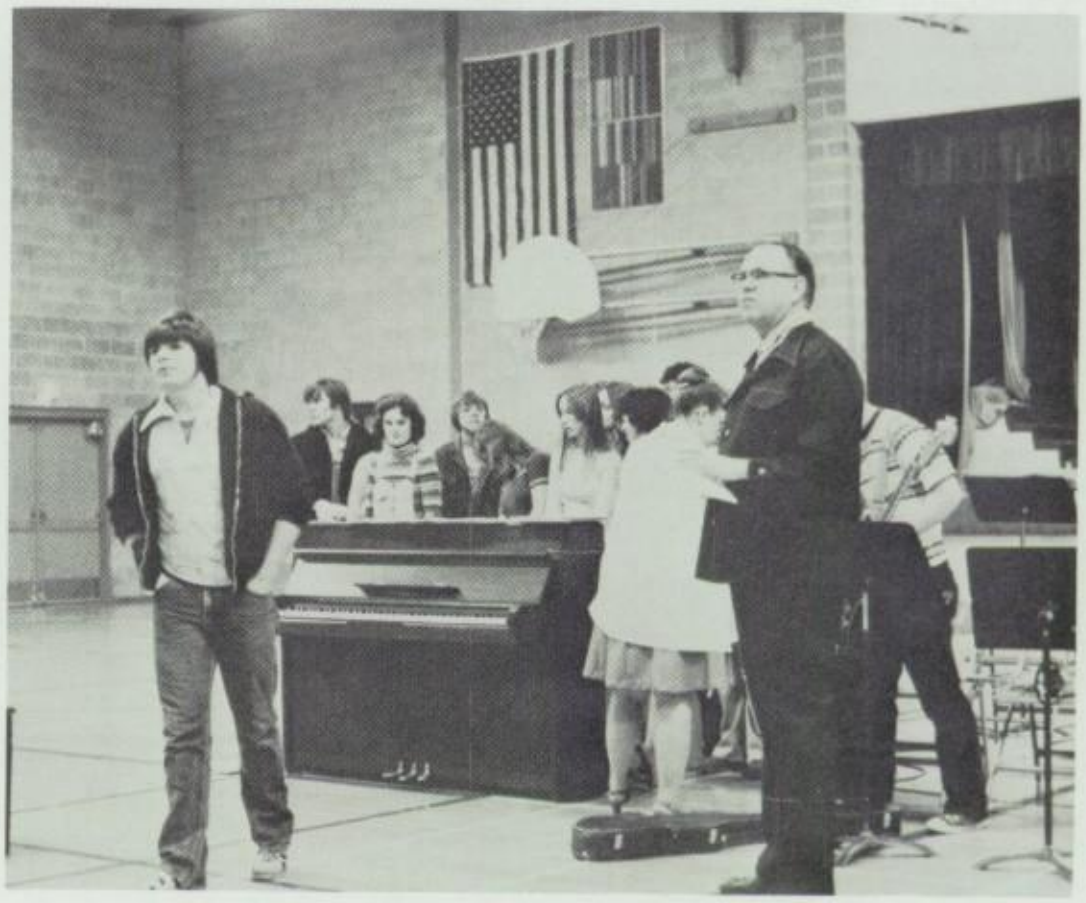


January 19, the student body was called together for the installation of 18 new members. Some of the veteran members spoke briefly about the qualifications: scholarship, leadership, service, and character, (LEFT) before the new members (LEFT CENTER) David Bublitz, Tami Brim, Mike Puls, Nancy Johnsen, Sherry Johnson, Carla Dillard, Jennifer Johnson, Patty Johanson, Dean Dawson, Melora Hitchman, Flint Carlson, Bill Antilla, Julie Holdiman, Kathy Ostgard, Colleen Cochran, Robin Searle, Steve Salmi, and Roland Johnson were named one at a time to light their way into the future through the National Honor Society.

Immediately following the installation ceremony in the gym, the parents, faculty, and members were invited to the library for refreshments. Proud mothers (ABOVE) relaxed over cake and coffee not to brag about their children but to discuss refrigerators while the honored students chowed on the remainder of the congratulations cake and cookies. The new members were anxious to learn what the others had planned for the year. They were told that Honor Society was going to have dinner in an elegant restaurant with all their money. The officers FROM LEFT are treasurer Jen Johnson, Secretary Alice Hochnadel, President Cheryl Turnbull, Sgt-at-Arms Tom Dyer, and V.President John Shepherd.

# Chorus Has a Busy Year

"Let's Have A Musical Get Together" was the theme of this year's choral concert, which drew about 60 people. The group gained a new "voice" this year, a bass guitar played by John Fitz. Members performed at various places throughout the community including the Crabpot Restaurant in Warrenton on May 13, and competition at Corbett High School on April 21.



Scott Smotherman introduces the chorus as they prepare to perform at the all-school Christmas activity day.

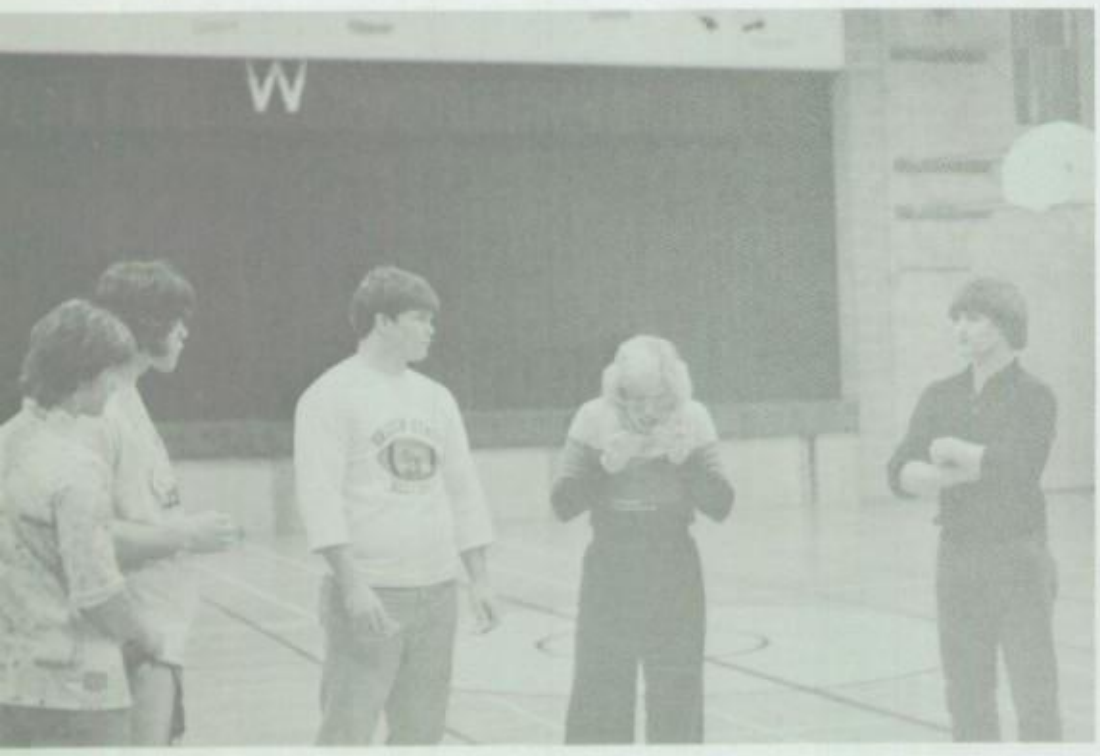
# The $50 Contest

Early in the spring of 1977 student council found itself in need of a way to perk up the students. It was suggested that they sponsor a week of competition between the classes and reward the winning class with $50. All the classes set out to win but the seniors came out victorious.

Jen Carruthers and Patty Johanson show off their fuzzy and feathery tophats.

Cheri Horton, Kim Adams, Annette Birkholz, and Carey Schnebly appear as 4 Musketeers.

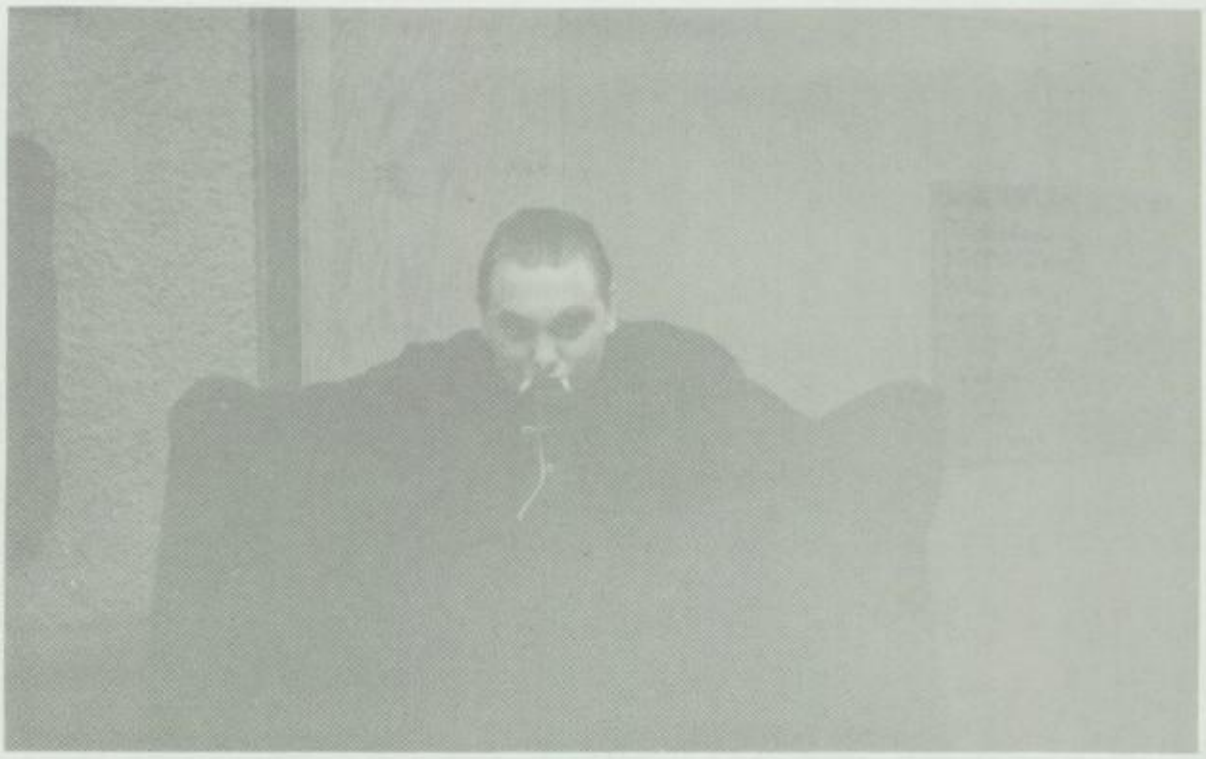
There were 7 big events during the week including one mystery contest. Points given for each event were 15 for first, 10 for second, 5 for third, and 0 for the class who came in last. The week started off on Monday with Dress-up Day. To be counted the boys had to wear ties and the girls had to wear dresses. Most students were not thrilled with Monday.



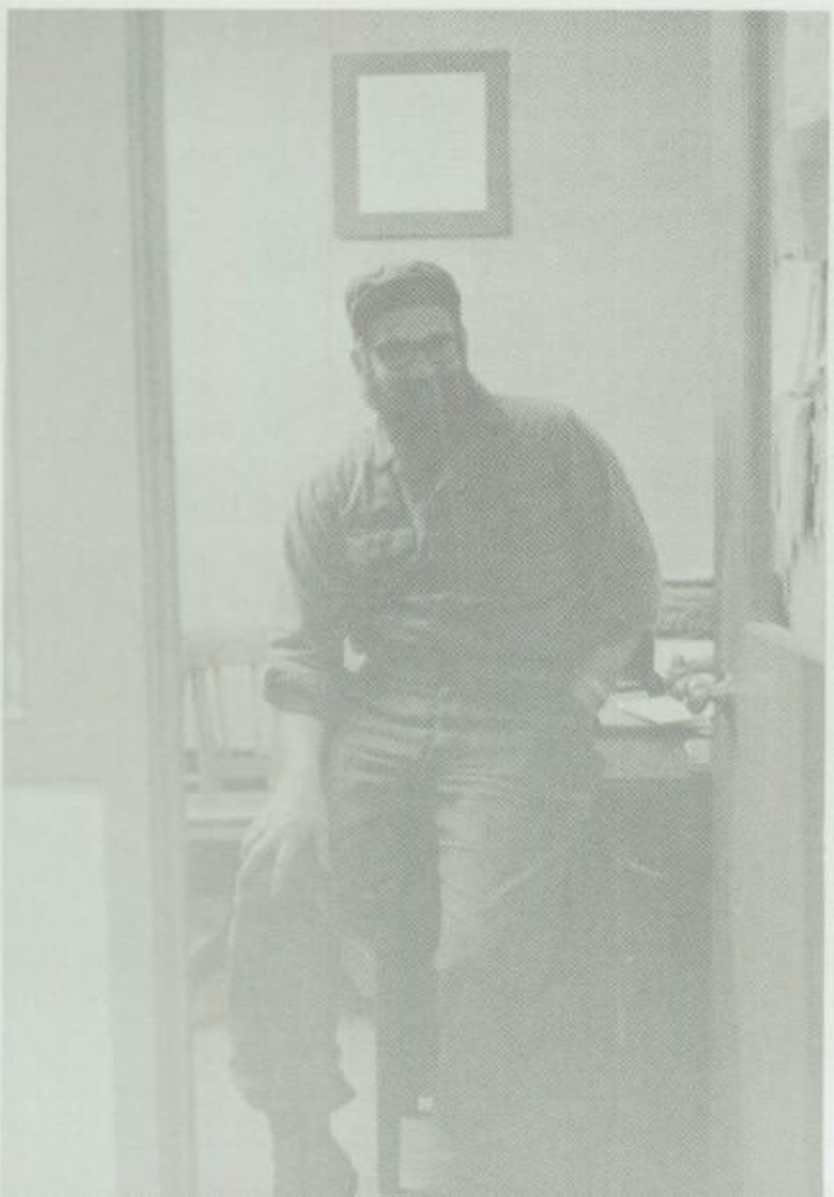
Junior Bill Kerr, Mark Balensifer, Tom Dyer, and David Searle watch Sherry McGrorty shove crackers in her mouth during the cracker eating-whistling contest.

Freshmen Mike Franklin, Brian Kerr, and Jack Burkhart look on as Miss Iff times Carl Pyritz in the cracker eating-whistling contest.

Tuesday the classes competed in a poster contest. Each class was to submit a game poster with the words "Go Get 'em Warriors" written on it and whatever else they could do to liven it up. Also there was a cracker eating-whistling contest in which 5 members of each class participated. The object was for the 5 to line up and as the first one finished his crackers and was able to whistle the next person started. The team with the fasted time won. Wednesday was certainly a favorite day; it was Hat Day. It was fun for the students to wear hats for a whole day and not have the entire administration after them. They wore everything from beanies to baseball caps to gangster hats to ski hats and of course many more.



Thursday was titled Rain Gear Day even though the sun was shining brightly all day. The faculty got a kick out of hearing the students slosh around in their hip waders, and watching them sweat in their heavy rubber rain coats. Friday was the funnest day of the whole week. It was costume day. Brian Mechum (TOP RIGHT) had a grand ol' time scaring girls and Mrs. Rupp. A few other participants of the day were (CENTER LEFT) David Bublitz as a sailor, Alice Hochnadel as none other than Miss Twiggy Biggy, and Kevin Gramson who came right out of the 50's. Mr. Ridout (BOTTOM LEFT) sure surprised his students when he showed up in his Army greens.



"Roots" had a big influence on Bonnie Clayton, Vicki Beatty, and Darla Hozie.

# Warriors Take 2nd in League

Behind the super pitching of Mike Johnson, the team had a good season, ending in second place. David Searle was Mike's backup and will hopefully do well next season.

The team had an 11-5 season this year. They had many high-scoring victories, like Portland Christian.

Pré-season traveling challenges of eastern Oregon, put Warrenton in the spot light, but mid-season injuries influenced the season's outcome.

TOP LEFT: Kevin Gramson slugs the ball.

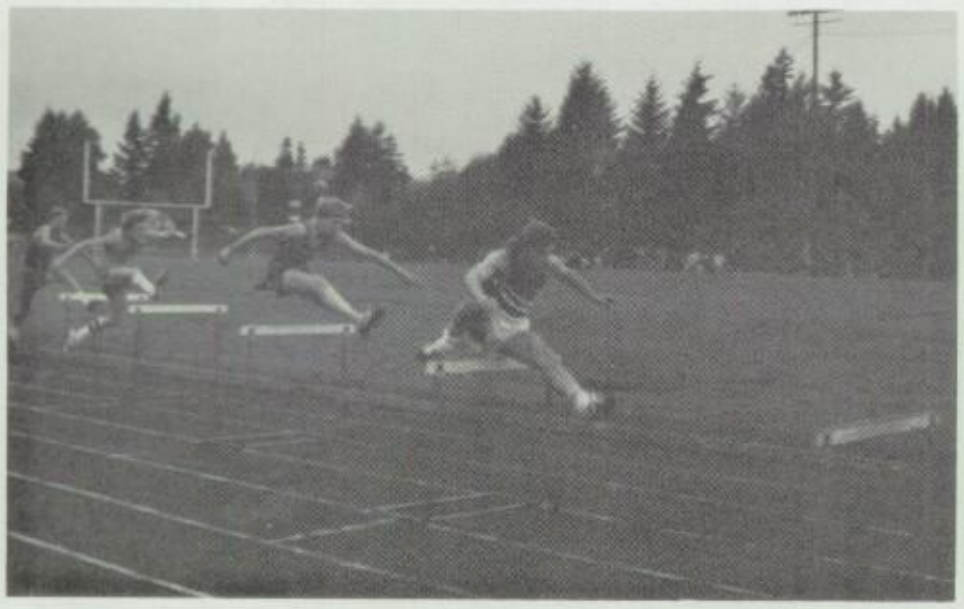
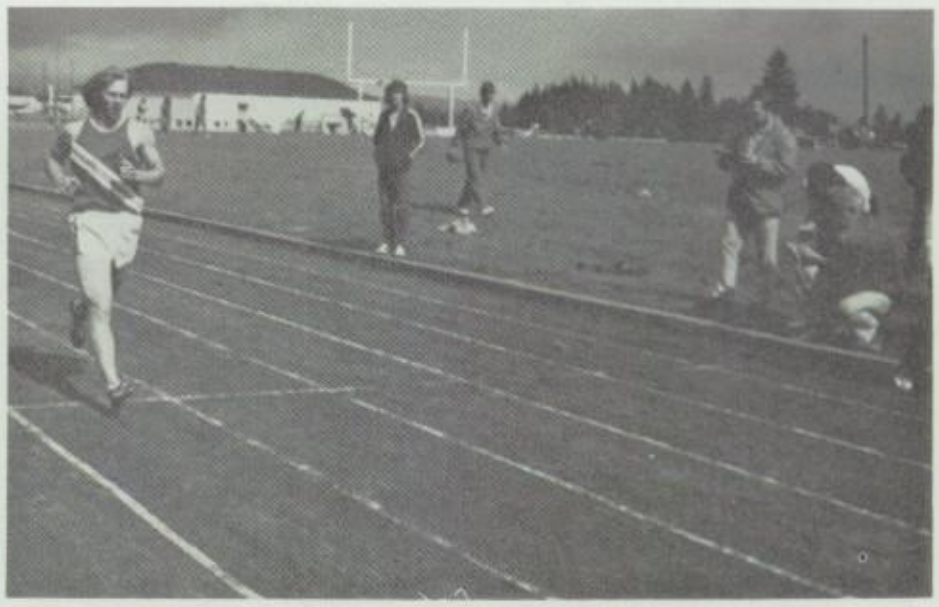
# Track and Field Competitors

In spite of a rainy season and limited membership, the boys track team participated in the Naselle invitational and Mt. Hood Relays in addition to the regular league meets. Successes included a third place by the 440 relay team (J. Bandeen, B. Curnow, J. Collins, and G. Black) at Sub-District.

At District, J. Bandeen took first at the 330 hurdles; G. Black-second with javelin; and R. Johnson-third with the shot-put. At the state meet, Gerry Black placed ninth, and Jaye Bandeen was disqualified for a hurdle error.





STANDING L TO R: Coach McMurry, Two miler- Tim Kinisple, High jumper- Gary Salmi, Shot and discus thrower, Roland Johnson, Miler, Joe Zimmerman. KNEELING: Brad Currnow-Sprints, Jaye Bandeen-Hurdles, Mike Pearce-High Jump, John Nichols-Miler. (NOT SHOWN, Gerry Black-Javlin, Ken Pearl-Shot, Jeff Davis-Shot, Jim Collins- Long Jump).

MIDDLE LEFT: Arlene trys hard in the long jump.
MIDDLE RIGHT: Long bus rides are common to all track meets.
BOTTOM LEFT: Deb shows her form with the javelin.
BOTTOM RIGHT: Sherry has a good hand off after her leg in the race.

The track season started March 29 with a victory at Knappa for the Warrenton girls. April 2 eight schools competed at Mt. Hood in the Corbett High sponsored track festival; Warrenton girls took first place. These Warriors had a number of meets throughout the season and were unbeaten in league competition. The Sub-District meet at St. Helens assured the team of the League championship as the girls overpowered their opponents. To highlight the season, the girls repeated their District Champion title.

State bound, the girls intensified training. On May 20 at Lewis and Clark, the state preliminaries predicted success for the Warrenton girls. Dianne Davis placed high in her events and won the 440 to be State Champ. Patty Johanson took fourth in the 110 hurdles. These and other efforts placed Warrenton fifth in state.

The other team members who helped raise the scores are: Cynthia Shepherd, in the sprints and long jump; Arlene Terhune and Brenda Dillard in the 880; Allyson Oakley, Sherry Holdiman, and Donna Davis in the distance races; Julie Maize in the hurdles; Kay Hanna in the hurdles and 100; Deb Warren and Donna Davis in field events; and DeeAnn McCoy in the high jump. Jen Carruthers had a short season due to tendonitis in her knees. She, along with Patty, are two Seniors who will be missed next year.

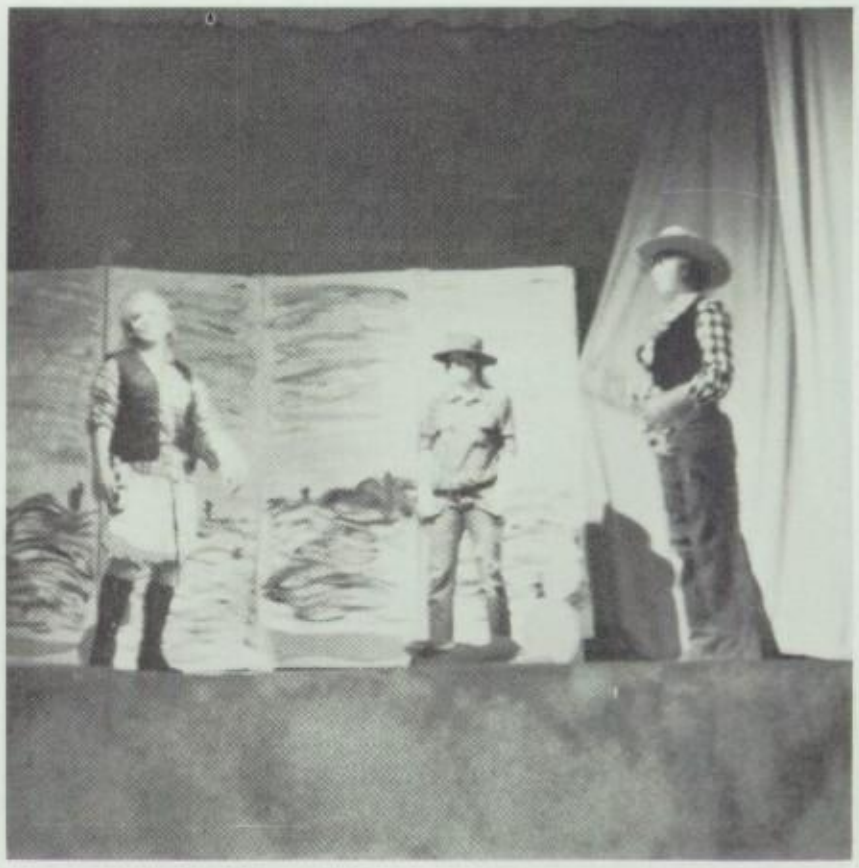
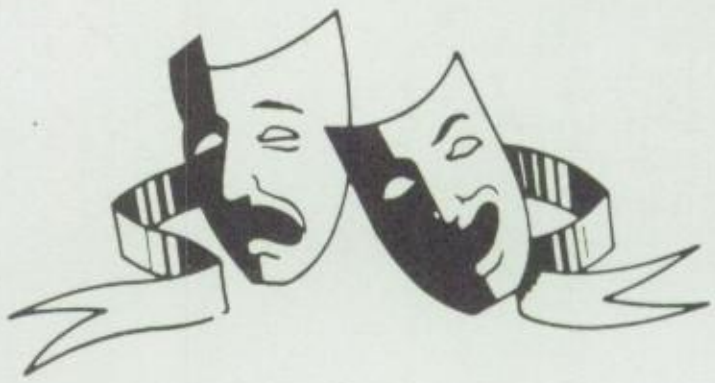
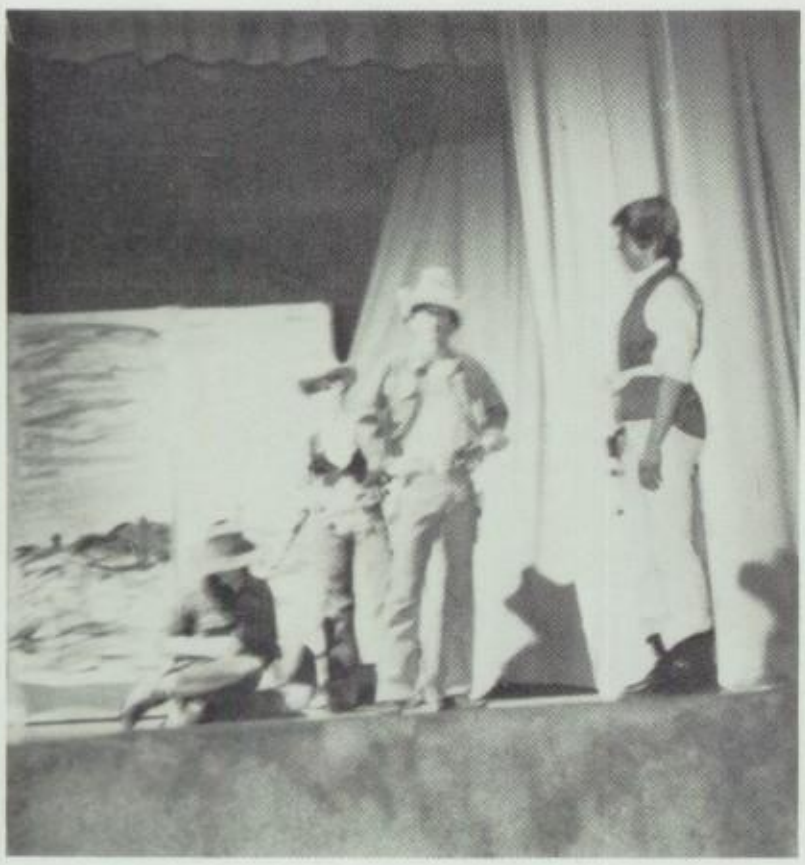
# The Thespians

The drama class put on many productions this year, starting with " Lemonade Joe Rides Again" which is featured on this page. They also had several student directed plays later in the year. A new drama teacher was added to the staff this year who brought in many new ideas. They changed the stage lighting, did their own sound effects, had most of their classes on the stage, and had a shadow play visit our school.

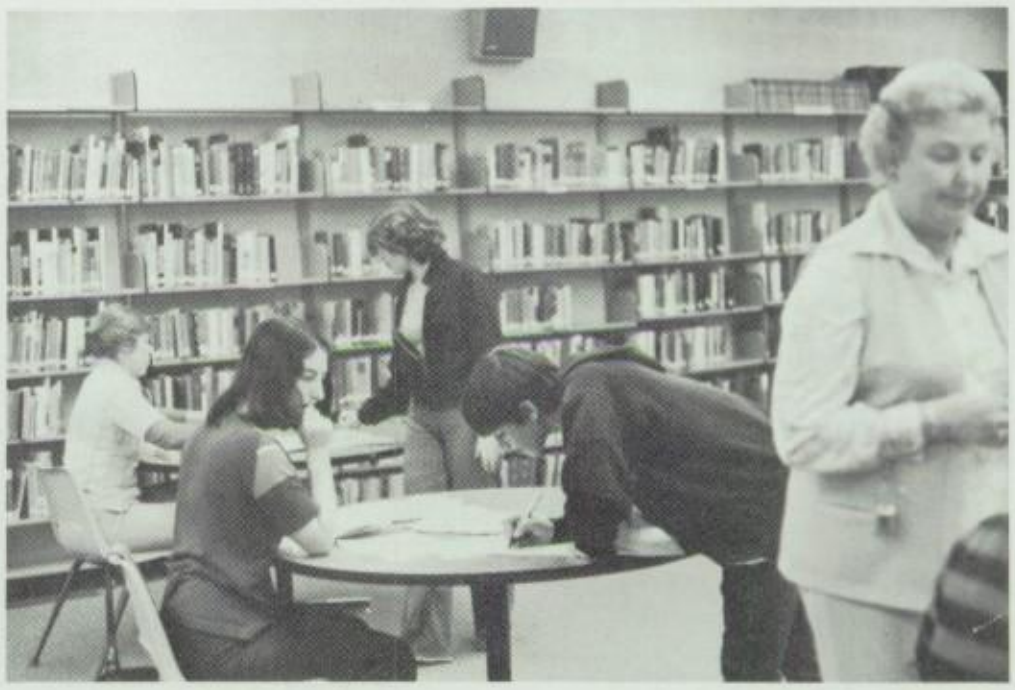
Once again, the drama class went to Ashland. They also invited other students to join them. They went to all the plays and attended a workshop with two of the actors there.







If you remember last winter, you were asked to register so that you could vote in the spring Student Body elections. (TOP RIGHT) Alice Hochnadel and Jen Carruthers show how it's done with Tony May's help.
Then spring came and several people choose to run for an office. After the nominations were made, they choose campaign managers to give a speech on their behalf. (TOP RIGHT AND MIDDLE) Alice Hochnadel spoke for Tom Dyer and Karen Ostgard, John Shepherd for Debbie Spath, Bret Schnieder for Bill Guindon, Meri Smith for Lisa Albus, Sue Terhune for Colleen Cochran, and Bill Guindon for David Pike.
Soon after this the candidates themselves gave their own speeches (TOP AND MIDDLE LEFT-OPP. PAGE) Tom Dyer and Debbie Spath-President, Bill Guindon-Vice President, Lisa Albus-Secretary, Karen Ostgard-Asst. Treasurer, Colleen Cochran-for Parlimentarian, and David Pike for Sergeant-at-Arms. You then went to the library to cast your vote, not only for the officers but for Constitution changes. President Scott Smotherman and other Student Council members helped (MIDDLE AND BOTTOM).



# Spring

There was a full house this year at the Girl's League annual Mother-daughter Tea. The evening started with "The Way We Were" sung as a duet by seniors Cheryl Seganos and Tina Wilhelm. Mrs. Rupp provided pleasant backgound music for the remainder of the program. Of course we can't forget the fashion show. It was delayed for several minutes due to the temporary abscence of Jennifer Carruthers, one of the commentators. The other fashion commentator was Vicki Beatty. While the crowd of Mothers, daughters, and faculty waited patiently the girls who were to model were running around Miss Iff's room frantically making sure every last hair was in place.

ABOVE: 1976-1977 Girl's League President Joanne Fortelney poses with 1976-1977 Girl of the Year Sherry Johnson. Miss Johnson was Miss November-Miss Dependability but also has the qualities of the other girls of the month: poise, leadership, talent, scholarship, congeniality, school spirit, sportsmanship, and service. Joanne put many hours into working on Girl's League activities and proved herself as being a very worthy President.

Many weeks of preparation went into the Mother-daughter Tea. A few of the girls designed and handcrafted invitations for the faculty and Senior boys' Mothers. Also the girls designed and made the programs. Rounding up stores for the girls to model from was a chore and a half which was taken on by seniors Jennifer Johnson and Alice Hochnadel. It was worth the trouble though. The crowd thoroughly enjoyed the fashion show.

# Novelty Pep Assemblies

Students participated in a variety of fun events. Ranging from pie and cracker eating contests to obstacle course runs students added laughter to pep assemblies. Varsity football players thanked the rally squads with rose corsages. Class competition appeared in the form of boy cheerleaders, and staff members presented a skit.

The class of '78 completed a full year of activities and classes. The Junior class sponsored the most dances and held cake raffles at several basketball games. They had a baked-foods sale during the lunch hours and increased the class treasury. The class of '78 was second in the home coming activities for the second year in a row.

The Juniors had a wide selection of classes this year, plus the four electives: Personal Finance, Health, US History, and an English class.

# Navy Nostalgia New

Navy band personnel rushed into a program of modern day music. Encouraging audience participation, individual members sang and spoke to students while music filled the gym. The feature vocalist from Atlanta, Georgia, sang selections popular on Warrenton High's juke box.

Novelty acts from the '50's recalled Elvis Presley, the Beach Boys, and Happy Days. Satire surfaced as the villian tried to dynamite the "fair maiden."

The hour's concert ended with invitations to clap with the band, dance, and wear Navy buttons.

# Outdoor School

This year many Warrenton students participated in the Outdoor School program. The students chosen as counselors spent two months preparing for their weeks stay at Camp Kiwanilong. Besides learning camp songs and skits, they also helped teach some of the hobby classes to the fourth grade students who stayed there. All the students learned valuable experience in working with young kids and also learned about the different plant life there.
